

REMARKS

Claims 39-73 are pending in the present application. The Examiner has required restriction to one of the following inventions under 35 U.S.C. §121:

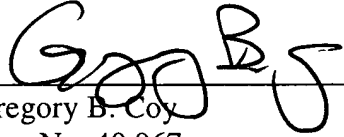

- I. Claims 39-60, drawn to a method for treating diaper rash.
- II. Claims 61-73, drawn to a system.

In response to the Restriction Requirement, Applicant elects the claims of Group I drawn to a method for treating diaper rash as stated in the Restriction Requirement. Claims 39-60 are directed to this Group I invention. This Election of the Group I invention is made without traverse.

Applicant respectfully submits that claims 39-60 are in condition for allowance. Action to that end is respectfully requested. If any issues remain that can be addressed telephonically, the Examiner is invited to contact the undersigned to discuss the same.

Respectfully submitted,

By: _____
